Dear Friends,

I want to sincerely thank you for your very generous donation of \$5,000.00. Now more than ever, your support allows us to sustain an exceptional level of comfort and care for the families we serve when their child is receiving treatment for a serious medical condition. Your generous donation adopting room 112 will support our Adopt- A- Room program, which will subsidize the cost of families who stay here at the Ronald McDonald House. Your support for the Inland Empire Ronald McDonald House makes a difference in our mission of supporting and strengthening families who are faced with some of the hardest times of their lives.

The Ronald McDonald House provides a "Home Away from Home" for families of critically ill and injured children who are receiving medical treatment at Loma Linda Children's Hospital and other nearby medical facilities. Our House enables families to stay together during times of medical crisis. In 2019 we served over 1,500 families from surrounding counties, nationwide and worldwide. This cannot be accomplished without the generous support we receive from the community.

On behalf of the board of trustees, staff and volunteers, and most of all, the children and families who will benefit from this wonderful gift, thank you.

From our house to yours we wish you a very merry holiday season.

Sincerely,

Karen Hooper  
Executive Director

*Thank you Tracy!  
It was a pleasure meeting  
you and we are grateful for  
your continued support.  
Merry Christmas and  
Happy New Year.*
